

DEFINING OUR RATINGS

Outstanding

Sets the standard for **extraordinary** performance and **delivers exceptional impact** and results at the highest level.

- Consistently exhibits ability, knowledge, and judgement and results at the highest level
- Easily recognized as a role model and mentor by high-performing peers
- Proactively takes on higher levels of responsibility and demonstrates a range of high-level competencies and insights

Exceeds Expectations

Goes above and beyond and **delivers greater than expected** value and results.

- Works in innovative, efficient and effective ways to consistently deliver greater than expected impact
- Regularly acts as a mentor, SME or role model to other team members
- Consistently takes on higher levels of responsibility, including for the most complex and important work assignments

Meets Expectations

Consistently meets expectations and delivers expected impact and results.

- Works in efficient and effective ways to fully accomplish the responsibilities of role and produce expected results
- Contributes positively to the overall objectives of the team and/or organization
- Achieves valuable accomplishments within responsibilities of role and/or assigned projects

Improvement Needed

Meets some but not all expectations and needs improvement to deliver expected impact and results.

- May achieve some, but not all responsibilities of role
- Should actively seek mentorship or coaching from leader and/or teammates to improve performance
- Needs to gain proficiency and/or productivity to consistently deliver expected impact

Does Not Meet Standards

Performs below expectations and does not deliver expected impact and results

- Immediate performance improvement plan or other action required
