UKG Termination Approval Reminder Process

Monitoring daily pending termination alerts and reminding UKG Termination Approvers

Process boundary: Talent Services monitors the daily alert and sends reminders. The HRBP / UKG Termination Approver owns the approval action in UKG.

1. Purpose

The purpose of this process is to remind UKG Termination Approvers of pending termination tasks in their UKG inbox to ensure timely approval and processing of employee separations. Timely approval helps ensure that separating employees are appropriately processed in UKG and that system access is removed in accordance with the employee's separation.

2. Scope

This process applies to termination requests that are pending approval in UKG and require action from the designated HR Business Partner (HRBP) or termination approver.

3. Roles and Responsibilities

Role	Responsibilities	Ownership boundary
Talent Services	Review the daily pending termination alert in the HRSC mailbox; identify pending approvals; send reminder emails to the appropriate UKG Termination Approver / HRBP; follow up according to the established reminder process.	Does not approve the termination in UKG.
HRBP / UKG Termination Approver	Review pending termination tasks in the UKG inbox; approve the termination in a timely manner; ensure the termination is properly processed so system access can be removed as applicable.	Owns the approval action and downstream termination processing.
HRIS	Send the daily pending termination alert to the HRSC mailbox.	Reporting source; not the approval owner.

4. Process Overview

Stage	Talent Services action	Outcome
1. Alert received	Receive the daily pending termination alert from HRIS in the HRSC mailbox.	Visibility into pending UKG approvals.
2. Review	Identify employee, request, approver / HRBP, status and relevant details.	Clear reminder population.
3. Reminder	Email the assigned UKG Termination Approver / HRBP and request timely approval.	Approver is notified.

Stage	Talent Services action	Outcome
4. Approval	HRBP reviews and approves the task in UKG.	Termination can continue.
5. Continuation	Termination process continues, including system access removal as applicable.	Separation processing proceeds.

5. Detailed Step-by-Step Process

Step 1 - Receive the daily pending termination alert

1. Access the HRSC mailbox and locate the daily pending termination alert from HRIS.
2. Confirm the alert provides visibility into termination requests that remain pending approval in UKG.

Control point: Use the daily alert as the starting point for identifying pending termination approvals.

Step 2 - Review pending terminations

3. Review the alert and identify each termination request that is still pending approval.
4. Capture or confirm the employee name, termination request, assigned UKG Termination Approver / HRBP, pending status, and any other relevant information in the alert.

Step 3 - Send the reminder

5. Send an email reminder to the assigned UKG Termination Approver / HRBP.
6. Identify the employee or termination request requiring action.
7. Advise the approver that the termination is pending in their UKG inbox.
8. Request that the termination be reviewed and approved as soon as possible.
9. Reinforce that timely approval prevents delays in the separation process and system access removal.

Step 4 - HRBP approves the termination in UKG

10. The HRBP / UKG Termination Approver reviews the pending task in their UKG inbox.
11. The approver approves the termination request in UKG.
12. Once approved, the termination request proceeds through the appropriate termination process, including system access removal as applicable.

Ownership boundary: Talent Services monitors and reminds; the HRBP / UKG Termination Approver owns approval in UKG.
