

1. When the termination in UKG has been lodged, HRTS will then initiate the offboarding process in People Assist.
2. Once the PH Employee Offboarding process has been published for an employee, all the assigned users (Supervisor, IT, Total Rewards, and Finance) will be notified via email coming from no-reply@notif.hrsd.ultipro.com.
 - a. Total Rewards does not have an assigned task within the process. The email notification serves as an FYI to check and complete accountabilities before the final pay computation begins.
3. To kick off the process, Talent Services will confirm that they have lodged the termination in UKG.

UKG Termination Lodged

Employee: Eli Emmanuel LAYA
Talent Services team to confirm that they have lodged the termination in UKG.

Message:

Talent Services team to confirm that they have lodged the termination in UKG.

Yes No

Submit Save as draft Cancel

Finance:

Finance Offboarding Sign-off
Employee: Johnny Realpage

Does the employee have pending accountabilities with Finance?

Yes No

Submit Save as draft Cancel

6. Once the **Supervisor**, **IT**, and **Finance** have completed the sign-off, **Talent Services** will then notify **Payroll** about the completed tasks and request to begin the final pay

computation.

7. If the employee failed to return the equipment within the 7-day prescribed return period, and only returns during the final pay computation period, **IT** will fill out the **IT – Employee Returned Equipment** form to notify **Payroll** that they have received the equipment and to recompute the employee's final pay.

[IT - Employee Returned Equipment](#)

8. When the final pay computation is available, Payroll team will notify the employee and complete the **Final Pay Computation Finalized – Employee Notified** task.

[Final Pay Computation Finalized - Employee Notified](#)

9. **Finance** will then complete the **Final Pay Disbursed** task once the separated employee's final pay has been disbursed in the bank.
