1. Purpose

This document defines the standard process for issuing Return to Work Orders (RTWO) and managing No Call No Show (NCNS) cases in compliance with company policy and Philippine labor requirements.

2. Scope

This procedure applies to all employees of RealPage Philippines and covers the end-to-end process for handling NCNS incidents, including issuance of RTWO, Notice to Explain (NTE), and Notice of Decision (NOD).

3. Roles and Responsibilities

HR Business Partner (HRBP)

- Drafts and issues RTWO, NTE, and NOD
- Ensures documentation is complete and stored in the system of record

VP HR Employee Relations / HR Head

- Reviews and approves Notice of Decision
Approves termination decisions where applicable

Immediate Supervisor / Manager

- Reports NCNS incidents promptly to HR
- Confirms employee return to work status

4. Definitions

- **No Call No Show (NCNS):** Absence without proper notice as defined in the Attendance Policy
- **Return to Work Order (RTWO):** Formal directive requiring employee to report back to work

- **Notice to Explain (NTE):** Document requesting employee explanation for alleged violation
- **Notice of Decision (NOD):** Final decision following due process
- **Termination Letter:** Formal notice of employment termination

5. Process Overview (Day 1–Day 41)

Day 1 – NCNS Occurrence and Reporting

- Immediate Supervisor identifies No Call No Show (NCNS)
- Immediate Supervisor reports NCNS to HRBP via prescribed form or email on the same day

Day 2 – Initial Action / First RTWO Decision Point

- If employee reports to work:
 - Serve Notice to Explain (NTE) for 1 day NCNS
- If employee remains absent:
 - HRBP drafts Return to Work Order (RTWO) with NTE (1st issuance)
 - Send RTWO via all required channels:
 - Docusign (personal email)
 - Work email and personal email
 - Courier
 - Registered mail to last known address
 - Upload RTWO and NTE to system of record

Day 3–4 – Minimum Delivery Window (Courier)

- Employee is expected to receive RTWO via courier

Day 4 – Expected Return

- Employee is expected to report to Immediate Supervisor
- Supervisor must notify HRBP if employee returns

Day 4–8 – Monitoring Period

- HRBP monitors employee status (returned vs still NCNS)
- Supervisor provides updates to HRBP

Day 8 – Maximum Delivery Window (Courier)

- Lapse of 5 calendar days from 1st attempt to deliver

Day 9 – Employee Response Deadline

- Employee expected to respond to NTE

Scenario 1: Employee Remains on No Call No Show Status Despite Notice

Day 9: Final RTWO (Escalation)

- HRBP drafts 2nd RTWO with NTE (2nd Issuance)
- Issue via:
 - Docusign
 - Email (work and personal)
 - Courier
 - Registered mail

Day 10–11 – Delivery Window (Courier)

- Employee is expected to receive RTWO via courier

Day 11 – Expected Return

- Employee is expected to report to Immediate Supervisor
- Supervisor must notify HRBP if employee returns

Day 11–15 – Final Monitoring Period

- HRBP monitors employee status (returned vs still NCNS)
- Supervisor provides updates to HRBP

Day 15 – Maximum Delivery Window (Courier)

- Lapse of 5 calendar days from 1st attempt to deliver

Day 16 – Employee Response Deadline

- Employee expected to respond to NTE

Day 17–18 – Decision Path and Final Decision Drafting

- HRBP and Deliberation Committee:
 - Review all documentation (RTWO, NTEs, responses, attendance records)
 - Ensure due process compliance
 - Draft Final Notice of Decision

Day 19–20 – Final Approval

- VP, HR Employee Relations reviews and approves Final Notice of Decision

Day 21 – Final Notice of Decision Issuance

- Serve Final NOD (including termination if applicable):
 - Docusign
 - Email (work and personal)
 - Courier
 - Registered mail
- Upload all final documents to system of record
- Close case with complete documentation

--END PROCESS FOR SCENARIO I--

Scenario 2: Employee Responded to the Company's Notice

Day 9 – Initial Hearing

- HRBP schedules and conducts hearing

Day 10–11 – Decision Drafting

- HRBP drafts NOD based on:
 - Employee explanation, and
 - Administrative Hearing (if attended by the employee)
 - Alignment with Immediate Supervisor / Manager with decision

Day 12 – First Notice of Decision Issuance

- Serve NOD:
 - In person if employee returned
 - Otherwise via Docusign, email, courier, and registered mail

Day 13–17 – Delivery and Return Expectation

- Employee expected to receive documents via courier

- Employee expected to report to Immediate Supervisor
- Supervisor confirms whether employee has returned

Day 18 – Maximum Delivery Window (Courier)

- Lapse of 5 calendar days from 1st attempt to deliver

Day 19 – Final RTWO (Escalation)

- HRBP drafts 2nd RTWO with NTE (2nd Issuance)
 - Issue via:
 - Docusign
 - Email (work and personal)
 - Courier
 - Registered mail

Day 20–24 – Delivery and Return Expectation

- Employee is expected to receive the 2nd RTWO with NTE via courier
- Employee expected to report to Immediate Supervisor
- Supervisor confirms whether employee has returned

Day 25 – Maximum Delivery Window (Courier)

- Lapse of 5 calendar days from 1st attempt to deliver

Day 26 – Final Hearing or Decision Path

- If employee requests hearing:
 - Conduct administrative hearing
- If no response:
 - Proceed to final decision drafting

Day 27–38 – Case Deliberation and Final Decision Drafting

- HRBP and Deliberation Committee:
 - Review all documentation (RTWO, NTEs, responses, attendance records)
 - Ensure due process compliance
 - Draft Final Notice of Decision

Day 39–40 – Final Approval

- VP, HR Employee Relations reviews and approves Final Notice of Decision

Day 41 – Final Notice of Decision Issuance

- Serve Final NOD (including termination if applicable):
 - Docusign
 - Email (work and personal)
 - Courier
 - Registered mail
- Upload all final documents to system of record
- Close case with complete documentation

--END PROCESS FOR SCENARIO 2--

6. Detailed Process Guidelines

1. All NCNS incidents must be reported on the first day of occurrence
2. HRBP determines appropriate disciplinary action based on Code of Conduct
3. All communications must be documented and stored in the system of record

4. Timeframes are indicative and may vary depending on case circumstances
5. Employee responses must be formally recorded

7. Documentation and Storage

- All RTWO, NTE, and NOD documents must be stored in the employee's record in the system of record
- A single authoritative version must be maintained
- Documents must not be stored in personal drives or email as final copies

8. References

- Code of Conduct
- Attendance Policy
- Philippine Labor Code (Article 297)
