

Performance: Manager Evaluation

Completing the manager evaluation is required by all managers to ensure performance is being reviewed and scored, to further the career development of all teammates.

COMPLETING MANAGER EVALUATION

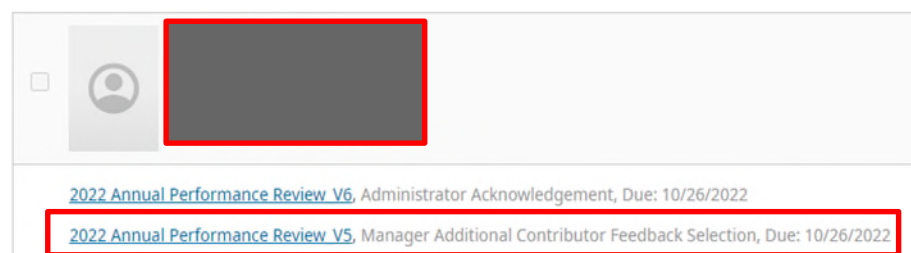

1. From the Home Page in **UKG**, click the **My Team** tab.

2. On left side under **Talent Management**, click **Talent Dashboard**.
3. In the middle select **My Direct Reports**.

4. Find the employee you want to start with and select the review to open it.

5. If needed, managers can send the evaluation back to an employee for additional information. If not, proceed to the next step.

Performance: Manager Evaluation

This comment will be viewable as part of the approved review.

Comment:

Overall, the last year went well but I feel I can improve in these areas:

- Project Management
- Etc

save & close

9. Click **Send** button to complete the review.
