

1. From the UKG homepage, go to **My Team**, and click **People Assist**.

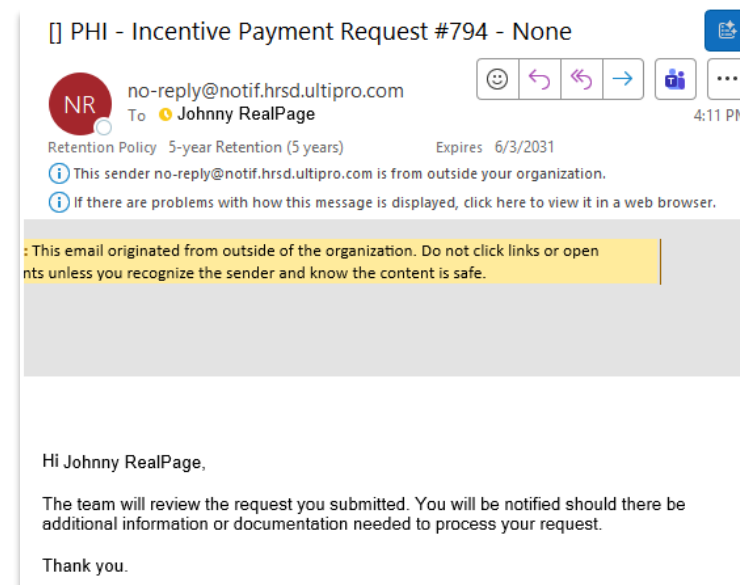

2. You will be redirected to the People Assist User Portal. From there, click **Create a Request**, select **Payroll** from the category list, and choose the **PHI – Incentive Payment Request** form. Alternatively, you may use the [direct link](#) to access the form. (Note: You must be logged in to UKG to access the link.)

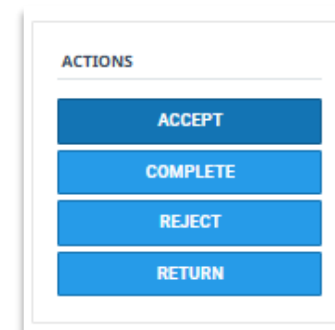

3. Fill out the form, attach the necessary approvals and the duly accomplished template, and click **Create Request** to submit.

4. You will receive a system-generated email acknowledgement from no-reply@notif.hrsd.ultipro.com. See sample email below.

5. The request will be assigned to the **Talent Services** team, and the next steps will be based on the completion of the details provided to the team.

- *Accept* – request is valid and accepted for processing.

- *Complete* – request is endorsed to payroll and waiting to be processed.
- *Reject* – request is invalid/non-compliant. Request will be automatically closed.
- *Return* – request requires additional information from the manager.

6. If the request requires additional information, **Talent Services** will **Return** the request to the requester. Provide the required information either by sending an attachment or using the comment box, and click **Resubmit**.

Notes:

- *Do not lodge in advance.*
- *Payroll Cut-off – should either be 15th or 30th of the month ONLY*
