

Purpose

This document outlines the standardized process for HR Shared Services (HRSC) when creating job requisitions in RecruitIQ on behalf of Hiring Manager, dedicated per Business Unit (BU).

General Guidelines

- All requisition requests are typically initiated via email from Hiring Manager, including **downgrade, upgrade, or job code update** requests.
- HRSC is responsible for creating the requisition in **RecruitIQ within 24 hours** of receiving a complete request.
- Ensure the **correct Job Code Template** is selected, as this drives pay grade, position, location, and salary alignment.
- Approval routing must follow the **Requisition Validation Document**.

Business Unit: Business Services

Requestors:

- Tracy Castleman
- Joanne Salangsang
- Anecito Origines
- Holli Rogers

Process Steps

1. HRSC receives a requisition request via email from Hiring Manager.
2. HRSC creates the requisition in RecruitIQ within 24 hours.
3. Route the requisition for approval following the standard approval chain.
4. Add **Jefferson Robles** and **Allysa Riojas** in the **Collaborator** field.
5. Send a confirmation email stating that the requisition has been created and submitted for approval, copying Jefferson Robles and Allysa Riojas.

Notes

- Finance approval is **not required** prior to creating the requisition for this BU.
- If Hiring Manager already created the requisition without HRSC involvement:
 - Validate the requisition details.
 - Route it for approval.
 - Ensure Jefferson Robles and Allysa Riojas are added as collaborators.

A screenshot of the 'Create Requisition' form in the RecruitIQ application. The form has a dark blue header bar with the 'REALPAGE' logo, a circular icon with a white 'C' inside, and the text 'Create v', 'Search v', 'Library v', and 'Other v'. Below the header bar, the text 'Create Requisition' is displayed. To the left of this text is a small icon of a briefcase. To the right of the text is a red 'Cancel' button and a blue 'Next' button. Below the header bar, the text 'START HERE - TYPE TO SEARCH FOR APPLICABLE TEMPLATE' is displayed. Below this text is a search bar with the placeholder text 'Type to Search'. To the left of the search bar is a dropdown menu labeled 'Template *'. The dropdown menu is open, showing a list of templates. The first option is '-Select-'. Below this are four options: 'XPE1310 | *Principal Prod Manager | United States | No Description', 'XPE1312 | *Principal Prod Manager | United States | No Description', 'XPE1110 | *Product Manager | United States | No Description', and 'XPE1175 | *Product Manager | United States | No Description'. The 'Template *' dropdown menu is highlighted with a red rectangular box.
